Hi Scott, I totally apologize for the delay in getting back to you. Please consider this email as documentation of the approval of a 30 day extension. You now have until March 17, 2014 to submit your response. Also attached is the field screening (hazcat sheet) and the pictures of the non hazardous drum that was found on the Site with your company label. If you have any further questions feel free to contact me and again I am truly sorry about the delay.

Thanks,

Dear Ms Hriczko – Thank you for the time you afforded me on the telephone this afternoon. pursuant to that conversation, please consider this my formal request for a 30 day extension for submitting the requested information. Our owner, Mr. James Wang will arrive in South Carolina the week of February 17th to have his signature notarized. Please also forward via return email a photograph of the container in question with our label affixed.

Take Care – Scotty
